DREAM INTERIOR

KERASOL – это результат тесного сотрудничества России и Испании с 2010 года. Это компания, которая поставляет на российский рынок оригинальную продукцию лучших европейских производителей: керамическую плитку, керамогранит, ступени, клинкер и другие изделия.

За 10 лет работы нам удалось наладить партнёрские отношения с лучшими фабриками, дизайнерами и мастерами отделки, а также запустить собственное производство - ежедневно наши сотрудники работают над качеством керамических изделий и сервисом компании.

Мы открыли региональные представительства в 6 городах страны и выстроили систему логистики, чтобы обеспечивать каждого клиента в кратчайшие сроки.

«Наша миссия – доступность качественной керамической плитки в России и возможность за умеренную цену создавать у себя дома интерьеры мечты!

Давайте создать эту красоту вместе с KERASOL!»

The background of the image is a close-up of a marble surface. It features a complex pattern of veins in shades of gold, beige, and light brown, set against a white or off-white base. The veins are irregular and flow across the frame, creating a sense of depth and texture. The lighting is soft, highlighting the natural grain and color variations of the stone.
